**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose a local, competitive provider for my internet and telephone services. It is crucial that we as citizens have choice in which provider we choose. Were it not for this choice, there would price hikes that will increase the cost of my internet and telephone services. I am a public school teacher and cannot afford to give all my money to one giant corporation that is ruling our wireless and telephone services.
